# 2012 TRY-OUT CAMP

The Pursuit of Excellence will be hosting a Try-Out Camp for our Midget and Bantam Teams. This will be an open try-out to players that wish to attend Pursuit of Excellence Hockey Academy.

This three day camp will provide parents with an opportunity to tour the POE facilities, meet the Coaching and Off Ice Staff, as well as receive all the information on the Pursuit of Excellence programs.

We will be securing a number of spots for the 2012 - 2013 season after this weekend, so we encourage all current and prospective POE Athletes to attend.
